CONTENTS

No. 1. *FEBRUARY*, 1961 PAGE

PROCEEDINGS OF THE BRITISH PHARMACOLOGICAL SOCIETY . . 1

BENFEY, B. G. Cardiovascular actions of phenoxybenzamine . . . 6

BYCK, R. The effect of hexamethonium on the carotid chemoreceptor response to nicotine and cyanide 15

SZERB, J. C. The effect of morphine on the adrenergic nerves of the isolated guinea-pig jejunum 23

ÅSTRÖM, A. and PERSSON, N. H. Some pharmacological properties of *o*-methyl-α-propylaminopropionanilide, a new local anaesthetic . . 32

BENTLEY, P. J. and McEWEN, ELEANOR. The effects of ion changes on the contraction of the rat uterus stimulated by oxytocin . . . 45

MARSHALL, P. B. Effect of sex hormones on the excretion of free histamine by male and female rats 50

ARMITAGE, A. K., EOSWOOD, JANET and LARGE, B. J. Thioxanthines with potent bronchodilator and coronary dilator properties . . 59

GRAHAM, J. D. P. The effect of reserpine on the pressor response to injection of 2-halogenoethylamines 77

HINTON, J. M. The actions of amylobarbitone sodium, butobarbitone and quinalbarbitone sodium upon insomnia and nocturnal restlessness compared in psychiatric patients 82

SULLIVAN, T. J. Effect of antibiotics on the 5-hydroxytryptamine content of the small intestine and other organs in rats and mice . . . 90

LEŠIĆ, R. and VARAGIĆ, V. Factors influencing the hypertensivee ffect of eserine in the rat 99

EAKINS, K. E. and LOCKETT, MARY F. The formation of an isoprenaline-like substance from adrenaline 108

HERMANSEN, K. The effect of adrenaline, noradrenaline and isoprenaline on the guinea-pig uterus 116

LLOYD, SYBIL and PICKFORD, MARY. The persistence of a depressor response to oxytocin in the fowl after denervation and blocking agents 129

No. 2. *APRIL*, 1961

DHAWAN, B. N., SAXENA, P. N. and GUPTA, G. P. Antagonism of apomorphine-induced pecking in pigeons 137

SACHDEV, K. S., AIMAN, RANITA and RAJAPURKAR, M. V. Anti-histaminase activity of serpentine 146

BARLOW, R. B. Effects on amine oxidase of substances which antagonize 5-hydroxytryptamine more than tryptamine on the rat fundus strip . 153

NORTHOVER, B. J. and SUBRAMANIAN, G. Some inhibitors of histamine-induced and formaldehyde-induced inflammation in mice . . . 163

JAGO, M. and HEATLEY, N. G. Some biological properties of cephalosporin c and a derivative 170

SPROULL, D. H. Salicylate and liver glutathione 180

HUKOVIĆ, S. Responses of the isolated sympathetic nerve-ductus deferens preparation of the guinea-pig 188

CONTENTS

PAGE

WAALER, BJARNE A. Effect of dopamine on the isolated perfused lung lobes of the dog 195

LILJA, B. and LINDELL, S.-E. Metabolism of [^{14}C]-histamine in heart-lung-liver preparations of cats 203

No. 3. *JUNE*, 1961

SILVESTRINI, B. and POZZATTI, C. Pharmacological properties of 3-phenyl-5β diethylaminoethyl-1,2,4-oxadiazole 209

CAVANAGH, J. B. and HOLLAND, P. Localization of cholinesterases in the chicken nervous system and the problem of the selective neurotoxicity of organophosphorus compounds 218

MAFFII, G., BIANCHI, G., SCHIATTI, P. and SILVESTRINI, B. Action of 5,5-diethyl-1,3-oxazine-2,4-dione (dioxone) on respiration and circulation 231

SMITH, M. W. and GINSBURG, M. Fate of synthetic oxytocin analogues in the rat 244

KRIVOY, W. A. Potentiation of substance P by lysergic acid diethylamide in vivo 253

SCHAIN, R. J. Effect of 5-hydroxytryptamine on the dorsal muscle of the leech (hirudo medicinalis) 257

CURTIS, D. R., PHILLIS, J. W. and WATKINS, J. C. Actions of amino-acids on the isolated hemisected spinal cord of the toad 262

STACEY, R. S. Uptake of 5-hydroxytryptamine by platelets 284

LAURENCE, D. R. and WEBSTER, R. A. Tachyphylaxis to the anti-tetanus activity of some phenothiazine compounds 296

FAWAZ, G. The effect of mephentermine on isolated dog hearts, normal and pretreated with reserpine 309

EMMELIN, N. and ENGSTRÖM, J. Supersensitivity of salivary glands following treatment with bretylium or guanethidine 315

LEŠIĆ, R. and VARAGIĆ, V. Effect of noradrenaline, bretylium and cocaine on the blood pressure response to tyramine in the rat . . . 320

GOKHALE, S. D. and GULATI, O. D. Potentiation of inhibitory and excitatory effects of catechol amines by bretylium 327

AZARNOFF, D. L. and BURN, J. H. Effect of noradrenaline on the action of nicotine and tyramine on isolated atria 335

BURN, G. P. and BURN, J. H. Uptake of labelled noradrenaline by isolated atria 344

MUSCHOLL, E. Effect of cocaine and related drugs on the uptake of noradrenaline by heart and spleen 352

TELFORD, J. M. and WEST, G. B. Some effects of corticosteroids on the metabolism of histamine and 5-hydroxytryptamine in the rat . . . 360
